About the Food Bank of Central & Eastern North Carolina

The Food Bank of Central & Eastern North Carolina is a nonprofit organization that provides food for people at risk of hunger in 34 counties in central and eastern North Carolina. The Food Bank serves a network of nearly 900 partner agencies such as soup kitchens, food pantries, shelters, and programs for children and adults. In fiscal year 2007-2008, the Food Bank distributed nearly 32 million pounds of food and non-food essentials through these agencies. Sadly, hunger remains a serious problem in central and eastern North Carolina. In these counties, more than 450,000 struggle each day to provide enough food for their families. www.foodbankcenc.org.
